Lloyd's Register of Shipping 1889 Lloyd's Register Foundation 1889-01-01 The Lloyd's Register of Shipping records the details of merchant vessels over 100 gross tonnes, which are self-propelled and sea-going, regardless of classification. Before the time, only those vessels classed by Lloyd's Register were listed. Vessels are listed alphabetically by their current name.

Russian English Zoya G. Proshina 2016-10-06 This fascinating book offers a comprehensive exploration of Russian English as a World English variety. The authors introduce readers to the history of language contact between Russian and English, which has resulted in the Russianization of English and Englishization of Russian. They also discuss the functions of English as a lingua franca in the domains of politics, business and tourism, as a tool in youth subcultures, education and scholarship, and as a creative means in mass media, advertisement, music and literature. The book engages with the major role of English in expressing a speaker's cultural and personal identity within the global community. This accessible and engaging work presents a great number of concepts within the field of Russian linguistics, as well as introducing readers to the outstanding Russian scholars in the field. Essential reading for students and researchers across a wide range of related fields.

Youth and Rock in the Soviet Bloc William Jay Risch 2014-12-17 Youth and Rock in the Soviet Bloc explores the rise of youth as consumers of popular culture and the globalization of popular music in Russia and Eastern Europe. This collection of essays challenges assumptions that Communist leaders and Western-influenced youth cultures were inimically hostile to one another. While initially banning Western cultural trends like jazz and rock-and-roll, Communist leaders accommodated elements of rock and pop music to develop their own socialist popular music. They promoted organized forms of leisure to turn young people away from excesses of style perceived to be Western. Popular song and officially sponsored rock and pop bands formed a socialist beat that young people listened and danced to. Young people attracted to the music and subcultures of the capitalist West still shared the values and behaviors of their peers in Communist youth organizations. Despite problems providing youth with consumer goods, leaders of Soviet bloc states fostered a socialist alternative to the modernity the capitalist West promised. Underground rock musicians thus shared assumptions about culture that Communist leaders had instilled. Still, competing with influences from the capitalist West had its limits. State-sponsored rock festivals and rock bands encouraged a spirit of rebellion among young people. Official perceptions of what constituted culture limited options for accommodating rock and pop music and Western youth cultures. Youth countercultures that originated in the capitalist West, like hippies and punks, challenged the legitimacy of Communist youth organizations and their sponsors. Government media and police organs wound up creating oppositional identities among youth gangs. Failing to provide enough Western cultural goods to provincial cities helped fuel resentment over the Soviet Union's capital, Moscow, and encourage support for breakaway nationalist movements that led to the Soviet Union's collapse in 1991. Despite the Cold War, in both the Soviet bloc and in the capitalist West, political elites responded to perceived threats posed by youth cultures and music in similar manners. Young people participated in a global youth culture while expressing their own local views of the world.

Srednjeve š ki Blejski otok v arheolo š kih virih / Medieval archaeology of Bled IslandBenjamin Š tular 2020-01-01 Pri ujo a knjiga je nastala za namenom, da odgovori na vpra š anje: ali je v arheolo š kih virih izpri ano predkr š ansko sveti š e na Blejskem otoku? Blejski otok je imel poseben pomen za vsako lokalno skupnost, ki je kadarkoli ž ivela ob Blejskem jezeru. Pisanje J. V. Valvasorja in A. T. Linhartar je sloves otoka ponoslo š ir š e, dokon no pa ga je usidral v kulturno zavest Slovencev France Pre š eren, ki je na otok v pesmi Krst pri Savici postavil Ž ivin hram. Arheologija, kot vsaka znanost, zahteva kompleksen pristop. V knjigi je predstavljena arheolo š ka analiza dokumentacije izkopavanj, ki so bila na Blejskem otoku med letoma 1962 in 1965. Takrat je pod vodstvom Vinka Š ribarja ekipa Narodnega muzeja Slovenije raziskali grobi š e in ostanke cerkvenih zidov iz srednjega veka. Najdi š e je eno od š tevtilnih v blejski mikro-regiji, a je kot kraj – otok na jezeru – posebnost med najdi š i v Sloveniji. Obse ž no nalogo smo si razdelili sodelavci ZRC SAZU in Narodnega muzeja Slovenije na analizo grobi š a (Knific, Bitenc) in stratografsko ter stavbno analizo (Š tular). Analizi sta nastajali vzporedno in neodvisno druga od druge, a delitev nalog se je izkazala za neizvedljivo. Zaradi prepletanja virov smo vsi raziskovali vse. Kon na izdelka smo nameravali zdru ž iti v homogeno celoto. Vendar se je kmalu pokazalo, da so podvajanja prej izjema kot pravilo, bogastvo razli nih pristopov pa neizmerno. Zato sta oba dela predstavljena neokrnjena, uporabljata pa seveda enoten znanstveni aparat: katalog grobov, table predmetov, reprodukcije izvirne dokumentacije. Zaradi izjemno slabega stanja arhiva kostnega gradiva antropolo š ke analize ni bilo mogo e enakovredno vklju iti v proces interpretacije najdi š a. Z namenom pripraviti celostno objavo vsega dostopnega gradiva antropolo š ko gradivo predstavljamo v lo enem poglavju (Leben Seljak). V zaklju ku knjige predstavljamo izsledke izkopavanj pri Bode š ah (Modrijan). Predstaviti arheolo š kih izsledkov o Blejskem otoku sledi š irok pregled fenomena miti ne pokrajine, njene izvedbe v blejskem kotu ter umesti Blejski otok v njen kontekst (Pleterski). Napovedni model potrdi njen obstoj z izkopavanji v Bode š ah. V kontekstu miti ne pokrajine se poka ž e Blejski otok kot sveto mesto, na katerem so potekali vsakoletni obredi. Tam je bil grob miti nega lika, ki ga v Sloveniji poznamo kot kralja Matja ž a.

Eurasian Regionalisms and Russian Foreign Policy Mikhail A. Molchanov 2016-03-03 Bridging foreign policy analysis and international political economy, this volume offers a new look at the problem of agency in comparative regional integration studies. It examines evolving regional integration projects in the Eurasian space, defined as the former Soviet Union countries and China, and the impact that Russian foreign policy has had on integration in the region. Mikhail Molchanov argues that new regionalism in Eurasia should be seen as a reactive response to contemporary challenges that these developing states face in the era of globalization. Regional integration in this part of the world treads the unknown waters and may not simply repeat the early steps in the evolution of the European Union. The question of a hegemonic leadership in particular, as exercised by a country that spearheads regional integration efforts, animates much of the discussion offered in the book. Moreover, Eurasian regionalisms are plural phenomena because of complementary and competing projects that engage the same, or partially overlapping, groups of countries. By combining foreign policy studies with an examination of the international political economy of regionalism in Eurasia the author furthers our understanding of new regionalism, both theoretically and empirically.

Turkish-Russian Relations in The Post-Cold War Period: Current Dynamics, Future Prospects Habibe Ö zdal 2013-07-01 The International Strategic Research Organization (USAK) has

recently published a report named as "Turkish-Russian Relations in The Post-Cold War Period: Current Dynamics, Future Prospects". This report can be evaluated from this perspective, as it is the first product of the Track II initiative that has started between International Strategic Research Organization (USAK) and Institute of Oriental Studies of Russian Academy of Sciences

(IOS). The first meeting was held in Ankara in 19 February 2013 with participation of Turkish and Russian academicians, bureaucrats and decision makers. However, it is just the first step and should be taken to a next level by better coordination and planning in the future. One of the main outcomes of this meeting is that there are so many areas waiting to be addressed as here are so many commonalities in the historical and social contexts of the two countries. In this regard, the potential of cooperation in regional level has not been developed as much as the level of cooperation in the bilateral level. The report tries to cover these issues in three different chapters. In the first chapter, the report focuses on the political aspect of the relations and tries to answer the questions of "How the political relations developed in the last 20 years?", "What were the main challenges and turning points that helped to establish a vibrant dialogue between the two states?" and "What are the areas that should be addressed in the near future?"

Piranske notarske knjige (Zvezek 7) / The Notary Book from Piran (Vol. 7) Darja Miheli 2018-09-01 Znanstveno-kritična objava fragmentov notarskih knjig enote Piran Pokrajinskega arhiva Koper iz let 1301 – 1320 /1321/ kot sedmi, zadnji zvezek zaključuje enega od segmentov programa edicij virov za slovensko zgodovino, sprejetega leta 1972. Zajema pet rokopisov: enajstega, dvanajstega, trinajstega, petnajstega in šestnajstega ter dodatnega neopisane, ki skupaj beležijo 287 latinskih predlog notarskih listin. Gre za dogovore v zvezi z zadolženjem, poslovanjem z nepremičninami, za reševanje sporov, sklepanje dogovorov o delu, za sklenjene dogovore, številske oporoke itd. Iz zapisov je razvidno gospodarsko, družbeno in vsakdanje življenje v nekdanjem Piranu in njegovi okolici. Objava vsebuje uvodno študijo, prepise izvornikov s pojasnili, imenski in pojmovni seznam ter seznam vsebin vpisov. Znanstveno-kritični aparat je slovensko-angleški, seznam pojmov pa je zasnovan kot trojezični latinsko-slovensko-angleški slovar. Delo nudi podatkovno osnovo za interdisciplinarne (zgodovinske, umetnostnozgodovinske, jezikoslovne, pravnozgodovinske, urbanistične, historično-geografske) in primerjalne raziskave mediteranskih mest srednjega veka.

Šolski slovar slovenskega jezika 2021 Špela Petric Žilinski 2022 Šolski slovar slovenskega jezika 2021 vključuje 2042 slovarskih sestavkov in je namenjen učencem, starim od 6 do 10 let.

Opisuje sistem knjižničarstva in zato obravnava samo leksikalne enote knjižničnega jezika. Koncept slovarja temelji na uveljavljenih leksikografskih načelih. Prinaša leksikografsko utemeljen prikaz informacij, prilagojen sposobnostim in znanju najmlajših uporabnikov. Slovar obravnava le leksikalne enote knjižničnega jezika in vključuje več besedne lekseme, tako nefrazološko kot frazeološko. Glavni vir gradiva je Korpus slovenskega jezika, ki zajema učbenična besedila, otroško literaturo izbranih avtorjev in gradivo slovenskih spisov. Obravnavana leksika je tako zajeta iz besedil, ki so za otroke te starosti glavni vir novega knjižničnega besedila, ter obsega zlasti knjižnični jezik leposlovja in osnovno terminologijo pri pouku obravnavanih znanstvenih in strokovnih področij, pri čemer so le-ta kar se da enakovredno zastopana. Ker Šolski slovar slovenskega jezika služi tudi kot učni pripomoček, je temeljna leksika vključena zlasti po kriterijih problemskega izbiranja (glede na pravopis, pravorečje in oblike).
